

# CONTRACT WORK IN AGED CARE

## WHAT IS CONTRACT WORK?

Sometimes it can be confusing between casual work and contract work. Contract work is an agreed block amount of time to support an organisation. This can include:

**A short-term solution whilst an organisation is recruiting for a permanent fulltime member of staff.**

Covering maternity, sick leave or annual leave.

**Accreditation support and improvement.**

Help train and develop a new member of staff.

**Project based work such as transitioning to the new aged care standards, onboarding, auditing.**

## KEY BENEFITS OF CONTRACTING

**Great salary and hourly rates, that may include additional benefits and bonuses.**

Have the flexibility to gain experience in a wide variety of well-known organisations.

**Be in control of the length of the assignments you commit to. Find the right length for the perfect work life balance. We have ongoing or block bookings available.**

Grow your resume in roles you may not have considered before. Gain experience and upskill yourself with the chance to work in a variety of facilities and locations.

**Accommodation and travel may be provided dependant on location and organisation.**

## CONTRACT CHECKLIST

### What do you need to start contracting work?

Here is a tick list of the essential documents needed to make you compliant and prepared to start your contracting journey.
